\* Students must take the ACCT 101–ACCT 102 sequence.

\*\* Option to take CIOS 262 applies only to AAS degrees. Students planning to pursue baccalaureate degrees can maximize transferability/applicability of their credits by taking ENGL 212.

\*\*\* Students planning to pursue a BBA Accounting degree should take ACCT 310 instead. Please contact your academic advisor for more information.

† Complete 12 credits of electives. Students may choose any course at or above the 100 level in Accounting (ACCT), Business Administration (BA), Computer Information & Office Systems (CIOS), and Economics (ECON), but may not use more than 6 credit hours from one discipline.

**NOTE:** Any English course used to satisfy the Humanities requirement must be different from the Written Communications requirement and have a course number higher than ENGL 111. Students planning to go on to a four-year program in the College of Business and Public Policy should know that all ACCT, BA, CIOS & ECON courses in those four-year programs must be completed with a grade of “C” or better.
