ECON 201 (Macro)	3	_____	_____
Elective ⁴	3	_____	_____
Elective ⁴	<u>3</u>	_____	_____
	15		

¹ Students must take the ACCT 101–ACCT 102 sequence.

² General Course Requirements: Choose one or a combination of Humanities, Math, Natural Sciences or Social Sciences courses. (See UAA General Course Requirement Classification List for eligible courses.) It is recommended that no more than 3 credits in Arts, 6 credits in Humanities, and 7 credits in Natural Sciences be used to fulfill this 6 credit requirement. Any English course used to satisfy the Humanities requirement must be different from the Written Communications requirement and have a course number higher than ENGL 111. Option to take CIOS 260A for the Written Communication Skills Requirement applies to AAS degrees only. Students planning to pursue baccalaureate degrees can maximize transferability of their credits by taking ENGL 212.

³ Students planning to pursue a BBA Accounting degree should take ACCT 310 instead. Please contact your academic advisor for more information.

⁴ Complete 9 credits of electives. Students may choose any course at or above the 100 level in Accounting (ACCT), Business Administration (BA), Computer Information Systems (CIS), Computer Information & Office Systems (CIOS), Economics (ECON) and Logistics (LOG), but may not use more than 6 credit hours from one discipline.

NOTE: A total of 60 credits is required for this degree. **The AAS Accounting major requirements must be completed with a grade of “C” or better.** Students planning on seeking a BBA degree in the College of Business and Public Policy must complete all business courses with a grade of “C” or better.

This is a suggested sequence for taking courses and is not intended to take the place of the program requirements listed in the UAA Catalog.
