² General Course Requirements: Choose one or a combination of Humanities, Math, Natural Sciences or Social Sciences courses. (See UAA General Course Requirement Classification List for eligible courses.) It is recommended that no more than 3 credits in Arts, 6 credits in Humanities, and 7 credits in Natural Sciences be used to fulfill this 6 credit requirement. Any English course used to satisfy the Humanities requirement must be different from the Written Communications requirement and have a course number higher than ENGL 111. Option to take CIOS 260A for the Written Communication Skills Requirement applies to AAS degrees only. Students planning to pursue baccalaureate degrees can maximize transferability of their credits by taking ENGL 212.

³ Choose a course from the GER list that satisfies both the AAS and General Education Requirements for Baccalaureate degrees. See the UAA Catalog for the current GER list.

⁵ A grade of "C" or higher is required to continue in each higher CIS course.

NOTE: A total of 61-62 credits is required for this degree. Students planning on seeking a BBA degree in the College of Business and Public Policy must complete all business courses with a grade of "C" or better.

This is a suggested sequence for taking courses and is not intended to take place of the program requirements listed in the UAA Catalog.
