⁵ The internship is intended to be in logistics. This requirement may be waived if the advisor determines that the student already has significant logistics work experience. Students are urged to discuss the internship requirement with their advisor early in the semester, **before registering for this course!**

⁶ Recommended Integrative Capstone course for business majors is CIS 376 Management Information.

NOTE: A total of 120 credits are required for the BBA degree. At least 50% of the business credits required for the BBA degree must be earned at the University of Alaska Anchorage. A minimum of 48 upper-division credits is required. **A grade of "C" or better is required for all ACCT, BA, CIS, ECON & LOG courses**

This is a suggested sequence for taking courses and it not intended to take the place of the program requirements listed in the UAA Catalog.
