\* Students must take the ACCT 101–ACCT 102 sequence.

\*\* Option to take CIS 262 applies only to AAS degrees. Students planning to pursue baccalaureate degrees can maximize transferability/applicability of their credits by taking ENGL 212.

\*\*\* Students planning to pursue a BBA Accounting degree should take ACCT 310 instead. Please contact your academic advisor for more information.

† Complete 12 credits of electives. Students may choose any course at or above the 100 level in Accounting (ACCT), Business Administration (BA), Computer Information Systems (CIS), and Economics (ECON), but may not use more than 6 credit hours from one discipline.

**NOTE:** Any English course used to satisfy the Humanities requirement must be different from the Written Communications requirement and have a course number higher than ENGL 111. Students planning to go on to a four-year program in the College of Business and Public Policy should know that all ACCT, BA, CIS & ECON courses in those four-year programs must be completed with a grade of “C” or better.
