\* Students must take the ACCT 101–ACCT 102 sequence.

\*\* General Requirements: Choose one or a combination of Humanities, Math, Natural Sciences or Social Sciences courses. (See catalog for eligible Course Classifications) It is recommended that no more than 3 credits in Arts, 6 credits in Humanities, and 7 credits in Natural Sciences be used to fulfill this 6 credit requirement. Any English course used to satisfy the Humanities requirement must be different from the Written Communications requirement and have a course number higher than ENGL 111. Option to take CIOS 260A for the Written Communication Skills Requirement applies to AAS degrees only. Students planning to pursue baccalaureate degrees can maximize transferability/applicability of their credits by taking ENGL 111 and ENGL 212.

\*\*\* Students planning to pursue a BBA Accounting degree should take ACCT 310 instead. Please contact your academic advisor for more information.

<sup>†</sup> Complete 12 credits of electives. Students may choose any course at or above the 100 level in Accounting (ACCT), Business Administration (BA), Computer Information Systems (CIS), Economics (ECON) and Logistics (LOG), but may not use more than 6 credit hours from one discipline.

**NOTE:** A total of 60 credits is required for this degree. Students planning to go on to a four-year program in the College of Business and Public Policy should know that all ACCT, BA, CIS, ECON & LOG courses in those four-year programs must be completed with a grade of “C” or better.
