\*Electives must be at the 100-level or higher. Students taking English and Mathematics courses must show evidence of appropriate placement including placement test scores or prerequisite classes. Please note that English 109 or PRPE 108 is a prerequisite for ENGL 111, and MATH 105 is a prerequisite for MATH 107 or 172. Contact your academic advisor for information on English and Mathematics placement before registering.

\*\*Program electives may include the following:

- |  |  |
|--|--|
| BA 295 Internship (1-3)                            | OSH 101 Intro. to Occupational Safety & Health (3) |
| BA 273 Intro. to Statistics for Bus. and Econ. (3) | OSH 108 Injury Prevention & Risk Management (3)    |
| BA 375 Statistics for Business and Economics (3)   | OSH 250 Hazardous Material Operation (3)           |
| BA 377 Operations Management (3)                   | TECH 295 Technical Internship (1-3)                |
| ECON 429 Business Forecasting (3)                  | TECH 402 Operational Safety (3)                    |
| LOG 290 Selected Topics in Logistics (1-3)         | <b>Any 300- or 400-level LOG course</b>            |

Additional courses may be used, but require an Academic Petition before they can be counted toward the degree. Please see your academic advisor before selecting courses not on the list below. No more than 3 credits of internship can be use to fulfill program electives. Please note that many of the courses below have prerequisites. Students must satisfy course prerequisites (or obtain instructor permission) before registering for classes with prerequisites.

**NOTE:**A total of 60 credits is required for this degree. Students planning to go on to a four-year program in the College of Business and Public Policy should know that all ACCT, BA, CIS, ECON and LOG courses in those four-year programs must be completed with a grade of “C” or better.
